

BODEGA VIÑA MAMBRILLA - DESIGNATION OF ORIGIN "RIBERA DEL DUERO"

TECHNICAL DATA SHEET "ALIDIS CRIANZA" RED WINE

Designation of Origin: Ribera del Duero

Vineyards: With selected grapes from the best vineyards in the area

Grape variety: 100% Red grape of the area

Maceration: 25 days with controlled temperature between 25 and 27°

Elaboration: After a very careful and elaborate vintage, begins the following process: reception and selection of the grape, according to the degree and years of the vine, either for young or for aged wines.

The clusters are cleaned, before fermentation, and we obtain appropriate wines for a long period of aging.

During fermentation, the must passes from the bottom to the top of the tank, while temperature remains constant.

All with the purpose that the process can be carried out uniformly, and that none of flavorings contained in the must may be lost.

After the fermentation, the solids are separated and the wine is transferred to the storage tanks, where it is subjected to quality control.

Aging: Aged in French and American oak for 24 months.

Tasting notes: Attractive and intense cherry red color. Aroma balanced of fruit and oak.
Flavor: soft and full bodied. Made exclusively with grapes from our vineyards

Analytical data: Alcoholic strength: 14° vol. / Optimal consumption temperature: 17°

Remarks: Due to its natural processing without chemical additives, it is possible to find some precipitate in the bottle but it does not modify its organoleptic qualities or the quality of them, so we recommend decanting before serving at the table.
