

## BODEGA VIÑA MAMBRILLA – DESIGNATION OF ORIGIN “RIBERA DEL DUERO”

### TECHNICAL DATA SHEET “ALIDIS EXPRESION” RED WINE

**Designation of Origin:** Ribera del Duero

**Vineyards:** With selected grapes from the best vineyards in the area.

**Grape variety:** 100% Red grape of the area

**Elaboration:** After a very careful and elaborate vintage, begins the following process: reception and selection of the grape, according to the degree and years of the vine, either for young or for aged wines. The clusters are cleaned, before fermentation, and we obtain appropriate wines for a long period of aging.

During fermentation, the must passes from the bottom to the top of the tank, while temperature remains constant

All with the purpose that the process can be carried out uniformly, and that none of flavorings contained in the must may be lost.

After the fermentation, the solids are separated and the wine is transferred to the storage tanks, where it is subjected to quality control.

**Aging:** Aged for 24 months in oak barrels

**Tasting notes:** Color: Red cherry-intensive. Aroma: Noted for its complex aromas, floral notes from blue petals, very ripe red fruits, coffee, cocoa, vanilla and toffee. Structured and full of character. It is particularly fleshy, round and sweet, with intensity, enveloping and velvety finish.

**Analytical data:** Alcoholic strength: 14° vol. / Optimal consumption temperature: 16-18°

**Remarks:** Due to its natural processing without chemical additives, it is possible to find some precipitate in the bottle but it does not modify its organoleptic qualities or the quality of them, so we recommend decanting before serving at the table.
