

GOURMET LEON

TECHNICAL DATA SHEET "BRIND'OR" WITH GOLD LEAFS

Product name: Brind'or

Type: Sparkling wine

Grape variety: Trebbiano/Airen

Elaboration: Sparkling wine made with a cuvee of selected grapes, and that added edible leaves of 22 carat gold. Produced in Rheingau area, Germany, the birthplace of German sparkling wine called "Sekt". Taste: fruity, fresh and young wine with balanced acidity.

Wine for a special occasion, or for a gift that will not go unnoticed.

Edible gold is the latest trend in haute cuisine. It is traditionally associated with luxury and quality but also has health properties.

Contains edible leaves 22 carat pure gold. Not only is used for enjoyment, it is also applauded for securing positive health benefits and has been used for centuries in traditional and alternative medicine for the treatment of various diseases. The use of gold in medicine is known as chrysotherapy.

The gold leaves to be found in this sparkling wine are stimulating, energizing and preventives, delays the skin aging and helps eliminate toxins.

Formats: The small (200 ml) format is also ideal as a detail for the guests to celebrations. It is composed with a cuvee of European selected wines.

A wedding, a christening, a communion or other event can be one of the most important dates in the life of a person and always want to celebrate with family and friends.

Even for corporate events, we are always looking for an appropriate gift to show how much we care about a customer.
