

## BODEGA PEREZ BARQUERO - DESIGNATION OF ORIGIN "MONTILLA-MORILES"

### TECHNICAL DATA SHEET "OLOROSO GRAN BARQUERO"

**Designation of Origin:** Montilla Moriles

**Elaboration:** The selected musts are deposited in oak barrels with 500/600 liter capacity and oxidative aging at 18 ° for about 20 years.

**Grape variety:** 100% Pedro Ximénez

**Type of wine:** Generoso / Oloroso

**Tasting notes:**

Appearance: Bright. Has a mahogany color.

Aroma: Very intense and penetrating. It is complex because of its long aging with hints of wood, nuts (walnuts), raisins and spices.

Taste: Structured, powerful, warm without excess, dry and velvety, fleshy, full-bodied. It is soft on the palate and slight bitterness in the finish.

**Aging:** Oxidative aging. System: "Criaderas and soleras" during a period of 20 years in American oak barrels.

**Harvest:** For early September, the summer heat has brought a high concentration of sugar in the grapes. Vintage time has come and, like every year, the careful selection of grapes from the best vineyards in the area will maintain the high quality of our wines.

At the appropriate time, we proceed to the collection of the selected grapes, taking care with the transport to the warehouse for its immediate milling and obtaining new musts. In small trailers, the fruit arrives healthy and quickly to hopper. In this way, we prevented the breakage of the berry and the loss of musts (juice), which produce oxidations and undesirable fermentations.

The new vines are cultivated in trellises, which allow mechanical harvesting of grapes.

**Analytical data:**

Alcoholic strength: 19°

**Gastronomy:** It is recommended alone or with nuts mid-morning, over lunch or snack. It is perfect to accompany red meats, game dishes, meat stews and oxtail, and also with mushrooms, artichokes, cured cheeses and sweets. Optimal consumption temperature: between 12 and 14 °.

**Other information:**

6 Units per box  
125 Boxes per pallet  
750 Units per pallet
