Harvesting and grape processing: The grapes are harvested by hand and transported to the winery in boxes of 18 kilos in less than 2 hours from collection to processing. Whole process is done in an inert atmosphere to prevent chemical and enzymatic oxidation, in order to get the greatest flavor and freshness.

Elaboration: "Despallado" (grapes without residues), maceration, pressing, decanting and fermentation in 60,000 liter stainless steel tanks at temperatures between 14 and 16 ° for 15 days. The microfiltration is performed immediately before bottling to ensure microbiological stability of the wine.

Total alcoholic strength / Dry extract: 11,6% v/v – 22,0 grams / liter

Volatile acidity / Total acidity: 0,30 grams / liter - 5,7 grams / liter

Reducing sugar: 3,1 grams / liter

Total sulfur dioxide: 128 milligrams / liter

Volumetric mass at 20°C: 0,9915 grams / c.c.

Tasting notes: The main feature of the development of this excellent white wine is the selection of raw materials and their origin, seeking varietal expression. The Ribeiro wine is bright, with yellow and green hues that speak of their vivacity. Nose: elegant and intense, highlighting the fruit flavors (pear, citrus) and floral. Palate: is excellent and well balanced on the palate, being nice and balanced, but with forcefulness and persistence.

Awards: 88 Points "International Wine Cellar" 2.007.

Logistic: 6 Units per box / 120 Boxes per pallet / 720 Units per pallet
