TECHNICAL DATA SHEET "SPIRIT 22" WITH GOLD LEAFS

Product name: Spirit 22

Type: Sparkling wine

Grape variety: Sauvignon blanc

Elaboration: Each bottle of Spirit 22 with leafs of edible gold is handcrafted. The wine that gives based to our drink is fermented with traditional method and has semi-dry quality.

It is produced in a small family winery in the Rheingau to the side of the river Rhine, Germany, the birthplace of German sparkling wines called "Sekt". We have 150 years of experience in the production of these wines, exactly since 1.863.

SPIRIT 22 is a new and admirable drink and prepares with the most traditional production techniques. With the difference of this unique visual illusion which provides the gold leaf, SPIRIT 22 surprises even the most demanding wine taster.

Contains edible leafs 22 carat pure gold. Not only is used for enjoyment, it is also applauded for securing positive health benefits and has been used for centuries in traditional and alternative medicine for the treatment of various diseases. The use of gold in medicine is known as chrysotherapy.

Edible gold is the latest trend in haute cuisine. It is traditionally associated with luxury and quality but also has health properties. The gold leafs to be found in this sparkling wine are stimulating, energizing and preventives, delays the skin aging and helps eliminate toxins.

Formats: The small (200 ml) format is also ideal as a detail for the guests to celebrations. This variety is perfectly suited to any event or celebration, adding a touch of glamor to your toast. With gold leafs and unique in the world.

A wedding, a christening, a communion or other event can be one of the most important dates in the life of a person and always want to celebrate with family and friends. Even for corporate events we are always looking for an appropriate gift to show how much we care about a customer.
